MICROWAVE STEAM STERILISER

INSTRUCTION MANUAL: WARNING: The steriliser is suitable for microwaves with an output of between 800 to 1850 W. The sterilizer can sterilize up to 3 full 250 ml Nuvita Mimic bottles. **DESCRIPTION:** • 1 Tray for accessories • 1 bottle holder • 1 base for filling. **SAFETY FOR USE:** 1) Never use the sterilizer in a microwave oven without water. 2) Never put metal objects in the microwave. 3) Do not use the grill function of the microwave for sterilization. 4) Use this device only in a microwave oven with turntable. 5) Keep the sterilizer out of the reach of children, in particular after sterilization, because it may be hot. 6) Always clean bottles and accessories before sterilising them. 7) Always respect the required amount of water and sterilisation time. 8) The steriliser, baby bottles, teats and lid are hot after sterilization. Very hot steam may escape when the lid is opened. 9) The steriliser is not suitable for glass bottles because they may explode. If you want to sterilise items other than bottles and its parts, make sure they are resistant up to a temperature of 100 Celsius and they contain no metal parts. **USE:** • Please read the operating instructions carefully before using the Nuvita 1085. • Before each sterilization, clean all of the components of the bottles and separate the teats from the ring. • Remove the bottle holder from the steriliser. • Using a bottle, pour 200 ml of water into the tank. • Place the bottle holder back into the tank. • Place the caps, teats, rings and valves in their respective locations, followed by the bottles themselves. • Close the lid and place everything in the microwave oven, in accordance to the following instructions:

MAX POWER	MAX TIME
800-1100 W	4 MIN
1850 W	2 MIN

Wait for 2 minutes before taking the steriliser out of the oven because it may be very hot. Empty out any remaining water from the tank once you have finished sterilising. **CLEANING AND DISINFECTING:** • If the water is too hard, a white deposit forms on the bottles and in the tank. To clean these deposits, pour 250ml of white vinegar into the tank containing the bottle holder and tray and leave until all of the scale has been removed. Rinse thoroughly and wipe with a damp cloth. **DISPOSAL:** • The Nuvita 1085 can be disposed as a normal domestic waste. • Dispose of the packaging separately in accordance with the national waste disposal regulations. **WARRANTY - TERMS AND CONDITIONS:** This product benefits of a warranty of 24 months on material and manufacturing defects, starting from the date of purchase (see sales slip). The warranty of 24 months does not include damages caused by the usual use of parties identified as "consumable" (e.g., batteries, brush heads or parts subject to usury). **The legal guarantee of 24 months is void if:** 1) The product has undergone aesthetic damage due to improper use not in accordance with instructions in the manual. 2) This product has been modified and/or tampered with. 3) The cause of the failure was due to poor maintenance of the individual components and/or accessories and/or supplies (e.g. oxidation and/or scaling due to the retention of water or other liquids, sediment blocking the sensor, leak of corrosive liquid from batteries). **The following is excluded from the legal guarantee of 24 months:** 1) Costs related to replacements and/or repair of parts subject to wear or costs for ordinary maintenance of the product. 2) The costs and risks involved in transporting the product to and from the store where you purchased or otherwise authorized collection centre to receive the products under warranty. 3) Damage caused by or resulting from improper installation or improper use not in accordance with the directions in the instruction manual. 4) Damage due to natural disasters, accidental events or adverse conditions not compatible with the product. 5) Defects that have a negligible effect on product performance. The manufacturer, distributor and all the parties involved in the sale do not assume any liability for losses and economic damage from any malfunction of the product. In accordance with current regulations the manufacturer, distributor and all the parties involved in the sale are not responding in any case for damages, including direct, indirect ones, loss of net income, loss of savings and additional damage and other details consequences going beyond the damage caused by the breach of warranty, contract, strict liability, wrongdoing or due to other causes, resulting from the use or inability to use the product and/or paper and electronic documents, including the lack of service.
