Massaging Teether  
Massaging Teether  
& Gum Cleaner

EN

#### FOR YOUR CHILD'S SAFETY WARNING!

- Warning: Always use this product under adult supervision. Never attach ribbons or cords to a teether, your child may suffer strangulation.
- Inspect carefully before each use. Pull the teether in all directions. Throw away at the first signs of damage or weakness.
- Do not leave the product in direct sunlight or near a source of heat, or leave in disinfectant solution for longer than recommended, as this may weaken the teether.
- Never dip the teether in sweet substances or medication, your child may get tooth decay.
- Do not place the teether in the freezer compartment.
- In the event that the product becomes lodged in the mouth, **DO NOT PANIC**; it cannot be swallowed and is designed to cope with such an event. Remove from the mouth with care, as gently as possible.
- For safety and hygiene, replace the product between 1 and 2 months of use.

#### CLEANING, STORAGE AND USAGE RECOMMENDATIONS

- Before first use, clean with mild soap and warm water. This is to ensure hygiene.
- This product is not suitable for hot sterilization.
- Clean before every use with mild soap and warm water
- Do **NOT** use bleach, harsh chemicals or the dishwasher to clean the product.
- Store in a dry place ensuring no water is trapped in the product.

**Save these instructions for future reference.**
