EN PACIFIER

FOR YOUR CHILD'S SAFETY. WARNING!

• Inspect carefully before each use. Pull the pacifier in all directions. Throw away at the first signs of damage or weakness. • Only use dedicated pacifier holders tested to EN12586. Never attach ribbons or cords to a pacifier, your child may suffer strangulation. • Do not leave the product in direct sunlight or near a source of heat, or leave in disinfectant solution for longer than recommended, as this may weaken the pacifier. • Keep the **Stericase** away from children to avoid suffocation.

CLEANING, STORAGE AND USAGE RECOMMENDATIONS

• Before first use, place the pacifier in boiling water for 5 min, allow to cool, and squeeze out any trapped water from the pacifier. This is to ensure hygiene. • Clean before every use with mild soap and warm water. • Do **NOT** use bleach, harsh chemicals or the dishwasher to clean the product. • Store in a dry place ensuring no water is trapped in the product. • Never dip the pacifier in sweet substances, as this may cause tooth decay. • In the event that the product becomes lodged in the mouth, **DO NOT PANIC**; it cannot be swallowed and is designed to cope with such an event. Remove from the mouth with care, as gently as possible. • For safety and hygiene, replace the product between 1 and 2 months of use.

STERICASE

The **Stericase** allows you to sanitize the pacifier in a microwave, killing 99.9% of harmful household germs. • **Step 1:** Carefully clean the product from any dirt, food or oils. • **Step 2:** Fill **ONLY** water to the level line on the **Stericase** insert the pacifier. • **Step 3:** Microwave in upright position, 12ml per side at 750-1000W for 3 minutes. (Incorrect water level, microwave power and time can compromise the sterilization). • **Step 4:** For safety purposes, the **Stericase** will automatically open at the end of the cycle to release the pressure. Allow the product to cool down for few minutes before touching it as it could be very hot. • **Step 5:** Drain any remaining water. **Save these instructions for future reference.**
